May 2026 Newsletter

Dear Genesis Village Community,

We are so excited for another month here at Genesis Village especially as the warmer weather allows us to enjoy even more of our beautiful community together. We are truly grateful for each of you and the way you make Genesis Village feel like a neighborhood where everyone is welcome and connected. We're also adding even more to our upcoming calendars and can't wait to experience all that's ahead together!

Blessings,

Jim Oedy

Welcome New Residents & Members

We're excited to welcome our newest Genesis Village residents, Ralph, Harlan, Patricia, Sherry, and Judith, along with new members Robert, Debbie, Marlene and Viann! When you see them around, take a moment to introduce yourself and help make them feel at home!

★ Partner Spotlight ★

If you've spent any time at recent events around the community, chances are you've seen the friendly faces from Village Caregiving. From raffles to resident activities, their team has been making a point of connecting and building real relationships with our residents! Village Caregiving provides in-home support services (laundry, housekeeping, medication reminders) designed to meet residents where they are.

Whether it's occasional help or more consistent assistance, their flexible approach allows residents to stay independent while having the right level of support when they need it. In the coming weeks, you'll have even more opportunities to connect with their team, including upcoming events and evening meet and greets right here at Genesis Village. Be sure to stop by, say hello, and learn more about how they can support you or a loved one.

Art & Craft Fun at Genesis Village!

Our talented residents at Genesis Village have been busy spreading spring cheer! They created these adorable, handmade Easter decorations to brighten up their apartment doors. Our hallways are looking incredibly festive and joyful.

We had an incredible time this week learning about one of Japan's most influential artists, Katsushika Hokusai! A huge thank you to one of our very own talented residents, Theresa, for leading a fascinating presentation on the master behind "The Great Wave off Kanagawa."

Side By Side Concert

Genesis Village was filled with nostalgia and community spirit during a special performance by the Side By Side Band. This uplifting concert, led by our owner Jim Oedy, had everyone singing and dancing to their favorite classic hits from the 1950s, 60s, and 70s. It's one thing to say a community feels like family, but we live it every day. Jim started this band over 46 years ago and continues to volunteer his time performing for our community throughout the year—often featuring some of our very own residents on stage!
