July 2026 Newsletter

Dear Genesis Village Community,
We are nearly halfway through the year, and what a start to the summer it has been! It has been a joy to watch our community grow as new residents move in and new members join our Genesis family. From our Side by Side Concert and Fine Arts Performance to all the fun activities in between, this summer is already one for the books — and we're just getting started! One resident recently said it best: Genesis Village is not just a place to live, but a community to belong to. We hope you're all enjoying the season, and we can't wait to share all of the exciting events we have in store for you this month!

Blessings,

Jim Oedy

Welcome New Residents & Members

We're excited to welcome our newest Genesis Village residents, Frank, Vivian, Klazientje, Eula, James, and Kirkair, along with new members Debi, Sonia, and Nicole! When you see them around, take a moment to introduce yourself and help make them feel at home!

We were honored to showcase the incredible Memorial Day display created by the Toledo Submarine Veterans, who meet monthly right here at our community. This meaningful exhibit pays tribute to the U.S. submarines that never returned home and the nearly 3,700 brave lives lost in service to our country. The display features a world map marking the approximate locations where submarines were lost, along with reproduction patches representing each submarine's distinctive unit identification. According to the display, since the first U.S. submarine was commissioned in 1900, a total of 65 submarines have been lost — including 52 during World War II, marked in red on the map.

Veteran's Chat

Join us in the GV Coffee Shop with Chaplain Jones, a Marine Veteran. Enjoy coffee, donuts, and fellowship with your fellow Genesis Village Veterans.

Veteran's Chat meets on the 4th Thursday of each month at 9:30 am unless noted. All Genesis Village Veterans are welcome. See you there!

Side By Side Concert

We were thrilled to host our Side by Side Concert – a night filled with music, memories, and plenty of toe-tapping as we sang along to all the classic songs we know and love!

What makes this tradition especially meaningful is the story behind the band. Our owner, Jim Oedy, founded Side by Side more than 45 years ago and has been sharing his passion for music with senior communities ever since. His dedication to bringing joy through music and faith has touched countless lives, and we are proud to carry that tradition forward here at Genesis Village.
