August 2026 Newsletter

Dear Genesis Community,

We hope you have been enjoying a little break from the hot weather and that you've had a wonderful summer. Over the past month, we've enjoyed many great events, including art classes, celebrating our nation's 250th birthday, and much more!

We're also looking forward to this month's activities, including educational presentations, lunch outings, an Ice Cream Sundae Social, and the very popular Cooking with Chef Brett presentation and dinner!

Blessings,

Jim Oedy

Welcome New Residents & Members

We're excited to welcome our newest Genesis Village residents, Cornel, Mike, Kent, and Marjorie, along with new members Lori and Susan! When you see them around, take a moment to introduce yourself and help make them feel at home!

★ Partner Spotlight ★

We are so thankful to our partners at Newcomer Funeral Homes and Hospice of Northwest Ohio for leading such an informative and compassionate discussion about hospice care, end-of-life planning, future medical care planning, and funeral planning.

These conversations aren't always easy, but they are so important. Having the opportunity to ask questions, gather valuable information, and learn how to plan ahead can bring peace of mind to both individuals and their loved ones.

A heartfelt thank you to everyone who attended and helped make this event so meaningful.

Veteran's Chat

Join us in the GV Coffee Shop with Chaplain Jones, a Marine Veteran. Enjoy coffee, donuts, and fellowship with your fellow Genesis Village Veterans.

Veteran's Chat meets on the 4th Thursday of each month at 9:30 am unless noted. All Genesis Village Veterans are welcome. See you there!

The Benefits of Art

Our GV Residents have enjoyed Color Art & Canvas Painting over the last month.

Painting and coloring offer incredible benefits for senior citizens by stimulating the brain and significantly reducing stress and anxiety levels. These creative activities also improve fine motor skills and hand-eye coordination, helping older adults maintain their independence and mental sharpness.
